

START HERE – For a new Member to the EcoGreen Group

The EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

Get Connected and Engage

- **Become a Member** – By getting involved with EGG through any of our channels.
- **Stay Informed via the EGG Newsletter** – Sign up for the EGG newsletter to keep informed and receive current announcements. (Sign up here!)
- **Join our Meetup Group** – Join the [EcoGreen-Group-of-Silicon-Valley](#) Meetup.
- **Attend our Thursday Morning Meetings** – Network, learn, plan, and collaborate at the [Federated Church](#) in Saratoga most Thursdays at 8am.
- **Attend and/or Participate in our Evening Speaker Series** – Once a month we host an event which highlights an interesting topical speaker.
- **Connect via your Social Media Channels of Choice** – Look for the social icon on our home page.
 - **LinkedIn** – Join the EGG LinkedIn group for professional networking. <https://www.linkedin.com/groups/2041460>
 - **Yahoo Group** – The EGG Yahoo Group networking list goes out to a large number of current and alumni EGG members. Ask for something you are looking for or give something to someone who is searching. Post events and opportunities. EcoGreenGroup_SV@yahoo.com
 - **Twitter** – Follow the EcoGreen Group on Twitter (@ecogreengroup). Contribute tweets by adding the hashtag “#ecogg” for our sustainability and cleantech related tweets.
 - **Facebook** – ‘Like’ the EcoGreen Group on Facebook to be connected, grow relationships, and increase your online visibility. <https://www.facebook.com/ecogreengroupsig>
- **Increase your Online Visibility via the EGG Website** – Submit articles for publication to the Leadership Team. See our Sustainability Categories on the Home Page for topic areas.
- **Connect with CSIX** – Joining CSIX provides a way to network with a large number of current and alumni CSIX members. Ask for something you are looking for or give something to someone who is searching. Join on the csix.org web site or at a CSIX meeting.

Get Active

Build Your Network. Build Your Professional Collateral. Build Your Brand.

- Attend morning and evening meetings to grow your professional network.
- Volunteer to take on a role within the EGG organization. (See our Volunteer page on the menu)
- Lead or contribute to a project in your sustainability and cleantech area of interest.
- Present in an EGG morning meeting on the sustainability topic of your choice.
- Write an article for the EGG web site.
- Contact the EGG organization at info@egg.org if you need any further information.
